HIGHWAY ROUTE TO BE DECIDED IN A MONTH

Sonoma Business Men's Association Receives Assurance From California Highway Commission.

The following letter of interest to all Sonoma Valley has been received by Charles La Torres, secretary of the Sonoma Business Mens Association.

Los Angeles, Cal., Aug. 8, 1921
Mr. Chas. LaTorres, Sec.,
Sonoma Business Men's Ass'n.
Sonoma, Calif.

My Dear Mr. LaTorres:

I have yours of the 3rd inst. concerning the location of the Schellville-Santa Rosa Highway.

Following our visit to Sonoma and over this highway, we instructed the Division Engineer to immediately proceed with the survey of the alternate route proposed and to report as soon as possible upon it.

I do not recall that we promised to reach a decision within any fixed time and feel that you must be mistaken concerning the six weeks which you mention.

There has been no delay and the survey has been recently completed, and we will have a report upon it, probably, within the next thirty days.

Following the receipt of this report the Commission will determine the route to be adopted and proceed with the preparation of this highway for construction.

We would ask you to bear in mind that the Commission has a very large program of work under way and in process, and that the work on this highway must take its proper place in that program.

I can assure you, however, that the Commission has this highway in mind and there will be no unnecessary delay in connection with its construction.

Very truly yours,
N. D. DARLINGTON,
Chairman.

Mrs. Martha Wilson, husband and little son, have been visiting at the Adler home. Mrs. Wilson was formerly Miss Martha Landgraf, well known to the Sonoma young people. The family has been living in Reno and in the East but plan to settle in Oakland.

Mrs. H. Appleton is still quite ill at the home of her daughter, Mrs. H. W. Gottenberg. She was taken sick during the absence of her daughter, Mrs. Burlingame, who was with the Sierra Club on its annual tour.

SONOMA WOMAN IS MOUNTAIN CLIMBER

Mrs. Carrie Burlingame of Sierra Club Ascends Mt. Lyle and Slides Down Snowy Side.

Mrs. Carrie Burlingame returned home the first of this week from the outing of the Sierra Club to the Yosemite and points of note thereabouts Under the leadership of Messrs Colby and Tappan, the party numbering 200 members made its way to the Valley and from there to the Tuolumne Meadows which was its headquarters A side trip to the northeast part of the Park in the vicinity of the Matterhorn region was first enjoyed, the weather being perfect and the wild flowers at the height of their beauty. The hikers went over many rugged trails in remote regions and saw various pretty lakes in that portion of Yosemite.

The second week, more intrepid members of the Sierra Club including Mrs. Burlingame, set off to climb Mt. Lyle, the highest peak in the valley. They made the ascent of the 14,700 foot mountain without mishap. The real thrill came however when they began the descent and the sixty men and women found that they must slide 500 feet down the snowy side of the peak in order to reach a safe point for further descent. Pillsbury, the moving picture man was with the party and filmed the adventurous ones as they came flying through the snow. Mrs. Burlingame says she made a graceful silde compared to some, but was wet to the skin with snow water and had to hike eleven miles before reaching camp. The Club was gone a month on this fine trip and hiked about 250 miles.

SPEED RACES TOMORROW AND OTHER BIG EVENTS

Egg Day, Vintage Festival and State Fair to Afford Interest and Amusement For All.

Tomorrow is the day of the great racing events at the Speedway and all roads will lead to Cotati. The official racing time on tryouts already has passed the 109 miles an hour mark, and better time than that will of course be made at the races on Sunday. Sonoma Valley lovers of good sport are fortunate to be so close to the speedway and a big delegation from here is sure to attend.

Petaluma has a treat in store for all who attend its big Egg Day and rodeo August 20th and 21st. The parade in itself will be worth going miles to see and the rodeo in which the Millerick brothers will participate, will have some unusual thrills. Petaluma is a genial host and knows just how to entertain the crowds. Do not miss the Egg Day celebration.

As the date for the opening of the big St. Helena Vintage Festival approaches, a great deal of enthusiasm is being manifested by the people of St. Helena and upper Napa valley in general.

The slogan that St. Helena is the city that knows how, is being perpetuated bySt. Helena Post No. 199, American Legion and the St. Helena Chamber of Commerce, they being the sponsors for this year's festival.

One of the features of the festival will be the parade held on Monday, September 5th, Labor Day.

Many exhibitors have already taken space in the exhibit hall, where exhibits of vineyard, orchard and farm products will be artistically and elaborately dispayed. F. Salmina, Beringer Brothers, Grape Products Co., Tucker Farm Center, Rutherford Grange, Spring Valley Farm Center, Woman's Improvement Club, American Legion, Native Sons, Redmen, Lodi Farm Center and many others have signified their intention of exhibiting.

The newly acquired municipal camp grounds will be in shape to accommodate motorists who will visit Napa valley during this period.

All are invited to exhibit and participate in the parade, there being many cash prizer for the best exhibits and floats.

The seventh annual vintage festival will be brought to a joyful termination on Monday evening, September 5th, with a street pageant, carnival and street dance.

The State Fair at Sacramento will be the crowning fete of September and is sure to attract the usual crowd of motorists from Sonoma Valley. See ad. for special features.

COMING PETALUMA RODEO GREATEST EVER SHOWN

Sonoma County to Witness The Salinas Outfits in Great Stunts at Egg Day Celebration.

Three noted cowboy outfits just recently returned from the famous Rodeo at Salinas will put on the big Rodeo at the Petaluma Egg Day celebration at Petaluma Saturday August 20th and Sunday August the 21st. Cuff Burrell and moving picture outfit of bucking brones and riders, Happy Jack Hawn and the popular and daring Millerick brothers are all on the program.

The Rodeo Committees' honorary officers include the Sheriffs of several counties and our own smiling Sheriff John Boyes is shown in the accompaning picture doing his part for the big show. Tickets to the show, which include a chance to win a $50 gate prize are on sale at the Index Tribune office this week.

Trustee Dobbel and family left this week for a two week's camping trip into Mendocino county.

CALLED FROM BATH TO FIGHT GRASS FIRE

Chief Cause Gets S. O. S. From Foster Ranch While Taking His Regular Abulution Last Saturday Night

"Always Ready" is an honest to goodness slogan with the Boyes Springs and Valley Fire department and it's chief, George Cause, for it was put to an acid test when the Chief was called to a fire on the Foster ranch at Quarries last Saturday night while enjoying his weekly tub bath. He had just gotten into the bath tub when the fire alarm was rung but it did not take him long to exchange his "September Morn," costume to the fighting togs of the fireman, and with his valiant crew was soon on his way to the marshes some twelve miles distant. Just forty-five minutes from the time he got the call from the tub, the Chief was battling with a stubborn grass fire which threatened all the buildings at Quarries. The Valley Angel did its usual good work and the fire was stopped before it reached any of the houses on the big ranch.

The Goldstein vineyard sent a check for twenty-five dollars to the department for the work the boys did at the fire which originated on the Huddart ranch above Caliente last week.

The public is reminded that the big benefit to clear off the debt on the Valley Angel will be held at Boyes Springs Theatre on Thursday evening August the twenty-fifth.

FROMENTS RETURN FROM TRIP TO PARIS.

The A. Froment family are being welcomed home after a visit of nearly six months abroad.

They spent some time in Paris with relatives and also visited many other points of interest in Europe A trip to Algeria, the old home of Mr. Froment, was of much interest.

The travelers are glad to be back in Sonoma. They arrived Tuesday after a pleasant trip across the continent and a stop at Niagara Falls.

Mrs. J. Stauidinger and her little daughter of El Verano has gone to Sacramento with friends to meet a brother from Cincinnatti, Ohio, whom she has not seen in ten years. Later on Mrs.. Stauidinger will take a trip to Cincinnatti, which is her old home.

BOYS AND GIRLS EXHIBIT AT THE COUNTY FAIR.

There are 150 Grammar School districts in Sonoma County. Some boy or girl in each one of these can win at least $2.50 in prizes by showing their vegetables, poultry or rabbits at the County Fair, August 24-28. There must be two or more entries from each school.

There are many other prizes besides the $2.50 for vegetables. One boy last year carried off over $15.00 in premiums. Any boy or girl interested in showing vegetables, rabbits, chickens or anything else at the fair should write H. I. Schnabel, Sebastopol, Calif., for more particulars. It costs nothing to enter.

SEND IN YOUR PRODUCTS FOR THE COUNTY FAIR

The Sonoma Farm Center's Committee which is busy arranging a display of Sonoma Valley products for the County Fair urges all residents of Sonoma Valley to cooperate with the Farm Center and make a creditable display from the Valley of the Moon. If you have anything in the way of produce or live stock unusually good, communicate at once with Messrs. McAllister R. L. Watt, Frank Knolle or Prof. Stenquist or the ladies committee of which Mrs. F. Joost and Mrs. T. Casson are members.

Whatever is to be displayed must be put in by August 22nd.

The Sonoma Farm Center will compete for the prize offered for the best display by a Sonoma County Center.

A space 14 x 20 has been allotted Sonoma and replich of the old Mission in fruit may be worked out by the Committee.

THE CRAZY QUILT DESIGN IN HIGHWAYS

THE STATE HIGHWAY COMMISSION and the California Automobile Association are still keeping a barrage of hot shot going in which charge and counter charge keep the public in a quandry as to the real conditions in our state road building program. We believe we have stumbled on to some facts pertinent in the controversy by reading the newspapers from two extreme portions of the state, both of which unknown to the other arraign the Highway Commission for much the same thing.

We of northern California, particularly Sonoma county, have thought we have been slighted by the Commission and there has been general complaint that the highways were always just partly finished up this way and that we had patchwork design in the roadmaking which was aggravating alike to taxpayers and motorists. It is evident from the columns of the El Centro Progress that the State Highway Commission has been giving southern California some of the crazy quilt design in highway construction also. We quote from that newspaper:—"Patchwork highways are of little value and no road begins to function in the service of the people until it has been completed.

"A notable example of delay in constructing state highways that have been promised is the highway from Los Angeles to Imperial valley and through the settled portions of the valley to El Centro. The demand for completion of this road has been made and reiterated over a period of many years, yet this vitally important thoroughfare, one of great utility as well as conveniencee has not been built.

"It will be noted that nearly two-thirds of a million dollars has been expended and that the people are still denied the use of a completed road. Of the portions of highway constructed many failures have occurred. Between Trifolium and the north line of Imperial county eleven miles will be reconstructed and widened next fall. This work will practically close this road until some time during the summer of 1922. No surveys have been made for that portion of the road between Trifolium Waste and El Centro.

"The result of the piecemeal construction policy in Imperial valley is emphasized by the fact that portions of the highway have failed and will be reconstructed before the people have ever had the use of the completed highway."

At the same reading we find in the Cloverdale Reveille under the terse caption "Is Cloverdale to be Buncoed" the following editorial:—"Word has been sent out from Sacramento that the State Highway Commission, up in the air as usual and muddled as to its budget, intends to pave only eleven miles of the highway between here and Healdsburg. The other five miles will be graded, according to the announcement.

And of course the five miles of grading will be at the Cloverdale end of the link.

If the Commission is correctly quoted, a big and effective protest ought to be made. Cloverdale has been ignored long enough. If the Board of Supervisors can put forth any influence in the matter, it ought to get busy.

The Highway Commission kept mighty mum as to its intentions until after the contract was awarded at approximately $350,000. Then it coolly announced it's inability to do what it promised. What kind of a game do you call that?"

It is quite evident that all the way from Imperial Valley to imperial Sonoma county that the Highway commission is pursuing tactics which they must realize are not approved by the public and it is nothing short of high-handed for servants of the people to continue to announce more piecemeal work in the face of this persistent and wide spread criticism. Right here at home we have been informed that the Ignacio to Napa line paving of the Blackpoint cutoff could only be finished as far as Fairville. After all the long wait for a completed road in Sonoma Valley we are brought up with a short turn at a cow pasture in fair Fairville. Strange are the ways of our Highway commissioners!

A WORTHY PROJECT MERITS PROMPT HELP

WE ARE CALLED ON to give money to many projects now days some of which have a hard time to justify themeselves, but the call which has gone forth for help to pay off the indebtedness of the "Valley Angel," the dependable chemical fire engine, should get prompt and generous response. Sonoma Valley is enjoying unusual advantages in the way of fire protection at the hands of volunteers, and we should show our appreciation in every way possible. The public spirited initiative taken by the Boyes Springs chief in acquiring the engines and furnishing protection is almost without precedent. It is the sort of thing we like to have happen but seldom see in small communities unable to municipally finance fire protection equipment. The least the volunteer firefighters should have to worry over is indebtedness. It is sufficient that they are ever ready to come to our assistance when fire breaks out. Let us therefore unite and see to it that the chemical engine of the Boyes Springs and Valley department be cleared of all indebtedness at once.

WE WANT THIS SCHOOL DISTRICT

REFERENCE WAS MADE in these columns last week to the fact that the Los Guilicos school district properly belongs in the Sonoma Valley Union High School. We understand that the trustees of the three districts, Los Guilicos, Glen Ellen and Dunbar, comprising the recently consolidated school of which Los Guilicos is a unit are favorable to Sonoma's plan to unite the upper end district with our High School.

Let us all get behind the effort to have the supervisors reconsider the Los Guilicos assignment to Santa Rosa High and point out to the people in and around Kenwood the advantages we will have to offer in the way of smaller classes, more individual instruction and the latest facilities for making instruction interesting and entertaining in Sonoma Valley's new $115,000 High School building, work on which will start early in 1922.

SENATOR SLATER ASSURED CONCERNING OUR HIGHWAY.

In confirmation of the publication in Saturday morning's Press Democrat of the news that speed may be expected in getting at the Santa Rosa to Schellville state highway, Senator Slater has received a letter from N. D. Darlington, chairman of the California highway commission.

Darlington's letter says the surveys have been completed, and it is planned to start construction first on the section between Santa Rosa and Kenwood, with a slight delay in getting right-of-way deeds.

He assures Senator Slater that the commission has this highway in mind for early construction and no unnecessary delay will be permitted.

A CONGENIAL HUNTING PARTY.

Carl Bundschu, Harry Weise, Peter Sierck, Captain Starley, Carl Dresel and Otto Dresel went hunting last week. It fell to the lot of Bundschu to kill the big buck that kept the hunters alive and jolly for several days. The camp was in the hills and the hunters say that they enjoyed themselves to the limit.

MISSIONARY FROM INDIA TO SPEAK AT THE M. E. CHURCH

On Sunday next, August 14th At the Methodist Episcopal Church Sonoma, at 11 o'clock. The Rev. Mr. Ward from India will give a very interesting talk and description of his 40 years missionary work in that great country. Mr. Ward has been in this country on furlough for about a year, and is now about to return to his work, but will visit Mr. and Mrs. Rambo, old friends before sailing from San Francisco to India.

Mr. Ward will appear in the costume worn by him in that country. You should not fail to hear him.

Miss Emma Perry underwent an operation for the removal of enlarged tonsils and adenoids at Hahneman hospital last Monday and has been at home for the past week, recovering from the effects of the operation. She will return to her office duties with W. P. Fuller & Co. in San Francisco on Monday next.

Miss Ruth E. Swain of San Diego has been a guest at the Perry home the past two weeks.

NIVETS ARE HEARD FROM IN FAR AWAY TRINIDAD

Mr. and Mrs. Chas. Nivet who left here some time ago for their old home in Trinidad, British West Indies, have arrived safely after a pleasant voyage. The tropical verdure of the Island seemed a festive greeting to them and the many old friends and relatives including some of the younger generation grown up during their absence gave them a fond welcome. All agreed that the travelers were looking very well after their sojourn in Sonoma Valley, California and Mrs. Nivet writes in her charming manner that they are proving wonderfully fine boosters for the Valley of the Moon.

The war had made its inroads on the commerce of the country and the cocoa industry had suffered, says Mrs. Nivet, but there has been splendid effort on the part of the government to bring things back to normal. The oil industry has brought great riches to the country since the Nivets have been away.

The travelers were much interested in the new island which rose out of the sea since their residence there and with their message to Sonoma friends they sent pictures of the mysterious island.

MRS. BURCHETT MET WITH ACCIDENT

Mrs. Burchett, the talented wife of the pastor of the M. E. church, met with a painful accident recently at Pacific Grove. While carrying hot water to a tub, she upset it and was badly scalded about the feet and ankles. She is still crippled up as the result of the unfortunate occurence and has not yet returned home.

Donald Bluxome, former superintendent of Speckels ranch at Sobre Vista, recently sufferd a stroke of paralysis at his Oakland home. He never recovered from the shock caused by the death of his beautiful young daughter, Doris, who succumbed to the "flu."

Mr. and Mrs. L. Davidson and family and Mr. Davidson's brother, just home from New York, motored up to the Wedekind ranch last Saturday night to visit Mrs. Davidson's parents, Mr. and Mrs. Frank Wedekind.

CARL ANDERSON'S MOTHER PASSES AWAY.

Sina Anderson, mother of Carl M. Anderson of the Vineburg Service Station, passed away Sunday from heart failure. She had been residing at Vineburg for some time past and prior to her fatal illness had enjoyed good health. Mrs. Anderson was unconscious many hours preceeding her death. She was a native of Denmark aged 63 years and 11months.

Mr. Anderson has the sympathy of friends and neighbors in the loss of his good mother.

Mr. and Mrs. Ed Morris and two sons of Santa Clara county have been visiting home folks in Sonoma valley. Ed is still loyal to the Valley of the Moon although employed on a big ranch in the Sun-sweet section of California.

RAIN AND THUNDER SUNDAY

Last Sunday it rained, thundered and hailed in the hills above town. Tony Cereghino who was deer hunting in the vicinity of Hood mountain, experienced the freak weather.

MISS INEZ REED MET WITH ACCIDENT.

Miss Inez Reed suffered an accident recently in which she broke her foot and she is now on crutches and under the care of a surgeon, Dr. Baldwin of San Francisco.

The night of the St. Francis benefit entertainment at Boyes Springs, she fell while ascending the steps to a seat in one of the rows while a motion picture was being shown. She tried to get up and couldn't so was carried out and taken to her home. At first she believed that her foot had been badly sprained, but after consulting Dr. Baldwin she was told that a bone had been fractured by the fall.

Miss Reed will be on crutches for some time, although she is making as good progress as can be expected toward recovery.

James Gottenberg and E. C. Coates, two of Sonoma's leading young business men were among those at the Hippodrome last Sunday evening.

Mrs. Conlan and children of San Francisco have been here visiting their cousin Mrs. Phil Leiser.

A. E. Flieger prominent young rancher, formerly of the Baxter tract but now residing in town broke his arm one day this week while cranking his tractor.

Mrs. Mary Van Amringe of Geyserville has been on the sick list.

E. H. Cliff of El Verano, prominent poultryman, has been seriously ill with pneumonia.

Mrs. Will Cummings of Eureka has been here visiting her mother, Mrs. Kiser. Mrs. Cummings was formerly Miss Josephine Kiser before marrying the prominent railroad superintendent of the northern division.

FINE PROGRESS ON NEW PAROCHICAL RESIDENCE

The handsome new two story parochical residence being built by St. Francis parish is being rapidly put up by contractor C. C. Bean. Plumbers and electricians have already been working and the roof is now on. The house is to be stucco finish on the exterior and would be a credit to the architect in any of San Francisco's fine residence districts. It will be a handsome and substantial improvement to the parish and its total cost will be around $10,000

Santa Rosa is also having a new parochical residence in St. Rose Parish.

Miss Laura Wickham returned to Berkeley this week to resume her studies at U. C.

PICETTI AND BIANCHINI BRING HOME DEER.

Louis Picetti and Amando Bianchini arrived home from Mendocino county Friday of last week, bringing with them a fine buck which they killed on the coast near Fort Bragg. They report deer plentiful but hunters are greatly handicapped owing to the dense fog which hangs low and affords the deer safe cover. They found the country filled with hunting parties and whenever the fog lifted, a regular barrage of shooting would start.

The Sonoma hunters had some good dogs with them, but Picetti's hounds, which have been trained to hunt down coyotes this season were not used. Shepherd dogs were put on the scent of the deer and this breed of canine either jumps the deer up in a short while or comes back to the hunters. The shepherds proved excellent deer dogs in the Mendocino country.

Picetti and Bianchini made the trip going north in one day, but coming back were out on the road all night. They encountered some steep grades and it required careful driving as the route was new to the hunters.

JOE RYAN'S NIECE IS FAIR BRIDE.

Miss Edna Blanch Dwyer, niece of Deputy Sheriff Joe Ryan was married at the home of her parents in Benicia on July 31st to Clarence Wilson, a young business man of that city.

The bride is one of the pretty Dwyer sisters who have often visitd here and is the daughter of the well known railroad man. Her mother is a sister of Joe Ryan and formerly resided in Sonoma.

Many warm friends of the family here have sent their hearty congratlations to the happy young couple.

Mr. and Mrs. Walter Steurmer of Boyes Springs are the fond parents of a fine boy born Friday of last week. The young taxi owner is doing finely and Walter says he will be driving a car before many months. Mrs. Steurmer was formerly Miss Myrtle Hardy.

Misses Ethel and Edna Keechler of Hollister, nieces of joseph Keechler of the Jones Ranch, have been visiting their Sonoma county relatives including the J. B. Riebli family.

VISITOR HERE FROM SAN QUENTIN PRISON

T. C. Maher, connected with the administrative offices at San Quentin prison, has been here spending his annual vacation. He called on his old friend, attorney Frank S. Sprague, whom he used to know when both were members of the legislature at Sacramento. He also brought greetings and some nice photos of the prison from Warden Johnson to W. L. Murphy of the Index-Tribune.

The Warden and Mr. Murphy were comrades of the Spanish-American war.

Mr. Maher is an old time actor of the halcyon days in San Francisco dramatics and is a genial and interesting old timer.

From Mexico to Canada, Zerolene has been time-tested in service. Zerolene conserves engine power, betters engine performance and lengthens engine life by giving Correct Lubrication.

More than half the motorists of the Pacific Coast use Zerolene. They appreciate the advantage to them of Zerolene's uniform high quality, the result of an efficiency in the manufacture of fine lubricants hard to duplicate elsewhere in the world. Ask for a Correct Lubrication Chart for your car. There's a grade of Zerolene especially suited for your type of engine.

MRS. NICHOLS IN TROUBLE

Arrested on a charge of practicing public charities without a state license, Mrs. Jennie G. Nichols of Oakland was arraigned before Justice Vaughn of Santa Rosa Friday and admitted the charge. Judge Vaughan read the law covering the case and warned the woman to refrain from her practices until August 28th when the state board of charities and corrections meets at San Francisco, when she will present a petition for a license. He suspended judgment on the defendant pending her further actions.

Mrs. Nichols, according to the charge of Probation Officer John P. Plover and complaining witnesses, Miss Felita Fitzgerald of the state board of charities and corrections and Miss Gilbert, of Santa Rosa, solicits funds for orphans and offers to place children in homes. No record is kept of her work and no statements of subscriptions or of work accomplished are available.

She has often solicited aid here for her charges.

JOS. FELDER BUYS 1300 ACRE RANCH.

Joseph Felder for several years the lessee of the Marti ranch, has bought the 1300 acre place from the well known former resident of Sonoma valley, Mrs. E. Marti of Petaluma. The property is a dairy ranch on which Mr. Felder and sons are conducting a fine dairy with a big herd of milch cows. Mr. Felder is one of Sonoma valley's most prosperous dairymen.

SHOWER FOR MISS POPPE.

Mrs. H. F. Bates entertained Monday afternoon complimentary to Miss Emilie Poppe who was the recipient of many dainty and useful gifts which were "showered" upon her, following the game of "500." Miss Poppe is to be an autumn bride and several other affairs are planned in her honor.

Miss Florence Murphy has been spending a part of her school vacation visiting friends and relatives in Berkeley and San Francisco and has been nicely entertained on both sides of the bay.

Henry Wicker was among the Sonoma sportsmen in quest of venison the first of the season. Mr. Wicker not only knows how to hunt venison but has the art of cooking it down to a nicety. Venison a la Wicker is a gastronomic delight.

OLD TIME FORMER RESIDENTS HERE LAST SUNDAY.

Mr. and Mrs. Geary of Oakland accompanied by their young daughter, and Mr. and Mrs. Burns (nee Donahue) and family were visitors here last Sunday. They came up in the Geary car to look over the scenes of Mrs. Geary's girlhood. She was formerly Miss Emma Powell of a pioneer Sonoma family, her mother having been one of the daughters of the late Nick Carriger. Miss Geary, a handsome dark-eyed girl, is engaged to be married to the son of Mr. and Mrs. Burns.

The Gearys have a married daughter also. They looked up several old time friends while here.

Miss Irma Adler has been visiting her cousin, Irene Nauman of San Francisco.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

SUPPLEMENT.

VOL. XLIII — SONOMA, SONOMA COUNTY. CALIFORNIA,, AUGUST 13, 1921 — NO. 51

GAS FOR SONOMA VALLEY RESIDENTS NOW POSSIBLE.

The demonstration of the Home Gas Machine, the wonderful invention of a Petaluman, E. C. Easton, has proved a revalation to many who hitherto thought Sonoma Valley folks would have to get along without gas for cooking, heating and illuminating. Mr. Easton's machine has been seen by many householders this week at Duhring's store, but if you have not yet seen the splendid device, hurry in and convince yourself of the merits. It is estimated that the gas machine will pay for itself in three years by the saving over ordinary gas bills. After the initial cost there is little expense as it only makes gas while being burned and one gallon of gas will last from twelve to sixteen hours steady burning for stove or oven use, and longer if for illumination only. The machine is simple and perfectly safe, the fire chief of Petaluma having installed Mr Easton's invention on his own premises It has all the merits of city gas and is cheaper.

Mr. and Mrs. Grover Rubke attended the Empire theatre at Napa one night this week.

OIL AND OPPORTUNITY.

(Communicated.)

Opportunity knocks at your door but once, and if you are wise enough to grab it, your future is made bright and everlasting. We have now the best chance to develop our beautiful Valley of the Moon through the oil industry, and it is now up to us to shoulder the proposition man to man and show the people abroad that we have the right kind of men here to make this section famous, not only as regards the oil proposition, but for other industries. To obtain the zenith of progress we must all get together, and **go to it.**

Our progressive townsman, Mr. E. J. Harris, the leading real estate dealer, deserves credit and help in the work which he has undertaken in trying to develop the oil industry in this valley. After reliable experts have declared that we have the most promising oil fields in the State, land-owners should not hesitate to lease their lands for that purpose, as they will undoubtedly be largely benefited thereby.

Let us give a helping hand, let us boost all we can and be "one for all and all for one," in what can benefit this section. We have been dormant long enough, so let us do away with Rip Van-Winkelism, once and forever.

Yours for Sonoma and Valley of the Moon,

A. L. MONOTTI.

A NEW BABY AT THE LONDON RANCH.

Great rejoicing has prevailed at the London ranch above Glen Ellen for the stork made a call there this week and left a lusty 9 pound son for Mr. and Mrs. Irving Shepard. Dr. Thompson was in attendance. The little fellow is a grand nephew of the late Jack London and is to be called Jack London Shepard. The babe's mother is the former attractive Glen Ellen girl, Mildred Ranker. Her marriage to Irving Shepard, son of Mrs. Eliza Shepard, superintendent of the London ranch, followed his return from hazardous service with the navy during the world war. Mother and this interesting babe are doing nicely say nurse and doctor.

EAGLE GRILL'S NEW BILL OF FARE.

John Pluth of the Eagle Grill has revised his bill of fare which includes entrees and roasts. Venison was on the bill of fare this week, some of John's freinds remembering him with savory deer meat.

Who says that "bargain" tires are what the people want

MOST everybody knows the easy-going sort of man who never takes a tire seriously until he gets a blow-out.

How long he will resist universal tire education is a question.

But this is sure—

More people are finding out every day that between leaving things to luck and getting *real economy* there is a big difference.

Many a car-owner has come to U. S. Tires because he couldn't afford to keep on *paying* that difference.

Probably seven out of ten users of U. S. Tires came to them only after they'd had enough of "discounts", "bargain offers", "clearance sales of surplus stocks" and other similar appeals.

They have found *economy*—and they stick to it.

They pay a *net* price—not "something off list" that may not mean anything in the first place.

They get *fresh, live tires, being made and shipped* while this message is being written.

No matter where they live there's a nearby U. S. Dealer with *his* nearby U. S. Factory Branch.

U. S. Tires keep *moving.*

No opportunity to get old and dried out. No shifting here and there trying to find a market.

Every U. S. Tire a *good* tire, wherever you find it anywhere in the country.

Because the U. S. policy is a *good* policy that serves the car-owner all the time.

Doing the very best for him that human good faith can do.

THE U. S. CHAIN TREAD

One of the few tires of which it may be said that they deliver economy year in and year out and tire after tire.

The U. S. Chain Tread gives sufficient traction on all ordinary road surfaces. It is probably the handsomest, and by all odds the most popular, of the whole U. S. Fabric Tire line.

CHAMBER OF COMMERCE NEWS.

The dues of the Valley of the Moon Chamber of Commerce have been fixed at 50 cents per month.

A sign bearing the inscription "Welcome to the Valley of the Moon" will be erected near Ignacio at the intersection of the Black point cut-off and the main highway.

President Rudy Lichtenberg and attorney Thos. P. Boyd of San Rafael have been appointed a committee to interview the N. W. P. railroad relative to electricizing the Sonoma Valley branch and cutting down the time of travel between here and San Rafael.

The Great Western Power Company is being encouraged to come into this field with its service.

A letter to the Chamber of Commerce has been received from the State Highway Commission announcing that 9 miles of surfacing on the Black Point cut-off from Ignacio has been advertised and will let out to the successful bidder soon.

ENJOYED WEEK IN SIERRAS.

Prof. L. H. Golton and his young friend, Harry Burmester, returned the first of the week from an outing in the high Sierras. They drove up to the Summit via Auburn and enjoyed a three day's stop at the Summit Hotel. While on a hike one day they lost the trail and night overtook them. As a result they spent the night under the stars and pines in the great out-of-doors.

Continuing on their way from the Summit, they went around Lake Tahoe and home via Placerville. The Professor and the young U. C. man enjoyed their trip immensely.

Florence Robin, beautiful little daughter of Mr. and Mrs. Paul Robin, suffered blood poisoning following the running of a nail into her foot and has been under the care of Dr. Thomson.

COUNTY FEDERATION OF WOMANS CLUBS TO MEET IN SONOMA

Interesting Program Outlined For Last Wednesday in September.

At a well attended meeting of the executive committee of the Sonoma County Federation of Womans Clubs at Santa Rosa last week the program for the auunal meeting here in September was outlined and President Perle Hunter of the Sonoma club brings back word that the executive meeting was most interesting and that the tentative program to be carried out in the Fall is an excellent one. Mrs. John Plover will talk on Child Welfare work and Mrs. Schwab on Sanitation. The idea of establishing a redwood grove ampitheatre after the manner of the Bohemian club and presenting plays and pageants in Sonoma county is to be discussed by the club women in session here.

Mrs. Hunter carried a message of welcome to all clubwomen of this and adjoining counties to meet with us in September.

ALMOST 1000 CARDHOLDERS IN SONOMA'S LIBRARY.

The Sonoma Library Report for the fiscal year ending June 30th,1921 shows the following figures:

Books issued for home use 8441, an increase in circulation of 1658 for the year.

Magazines issued for home use446, an increase in circulation of 67 for the year.

Seventy-nine new card holders have been added, making a total of 932 card holders.

Mr. and Mrs. Marcel Charlat who have lived for the past year at the Blue Bird Farm, El Verano, have moved to San Francisco. They regret moving away from Sonoma Valley, as they say it is "one grand place to live."

SPEEDWAY RACES Tomorrow.

OIL NOTES.

Considerable progress has been made by E. J. Harris in securing options on land in the western part of the valley. but still there are a number of owners of land who have not yet signed These latter have been furnished with copies of the agreement, which they are studying carefully or referring to their attorneys

It is desired by Mr. Harris that every one here interested sign up without delay to permit boring to begin. The agreements have been carefully drawn and contain nothing that can be objected to by a careful and prudent land-owner.

From experts who profess to know, the western part of Sonoma Valley shows many favorable oil indications. Who knows but that in the near future the oil industry will make us all rich, and add another glory to our beloved Valley of the Moon?

FRUIT CUTTING BEGINS AT SONOMA DRYER & CANNERY.

Pear and apple cutting have begun at the Sonoma fruit dryer and at the Sebastiani cannery.

Pears are being canned by the Sebastiani workers, this being the first season of fruit at the big plant.

Joseph Sorini has many employees working on pears for his dryer and is also making apple cider.

VISITING BOY SCOUTS HERE.

The Redwood City Boy Scouts with their Scout Master, a Stanford professor, were visiting our historic city one day this week. They visited the library and thought Sonoma had a most excellent reading room and were shown every courtesy by Librarian Kate McDonnell.

The historic side of Sonoma was explained by Mr. S. Shocken.

Mr. and Mrs. Geo. Lowell motored over to Napa and enjoyed the show one night this week.

STOLE HIS OWN SUIT ALLEGE THE OFFICERS

One De Rutte Represents That He Was Out Sixty Dollar Clothes Which Disappeared From Local Tailor Shop And Suit is Found in His Own Grip.

Charged with burglary because, so the deputy sheriff alleges, he stole his own suit, is the unpleasant predicament of a young wise guy named De Rutte who some time ago reported the loss of a suit of clothes which he left at a local cleaners. The day after De Rutte left the suit he called for it but it had disappeared from the rack and the cleaner believed some one had stolen it. De Rutte offered to call it square for sixty dollars, which he said was the value of the suit.

Mr. Leixner reported to Deputy Sheriff Ryan the circumstances and asked his advice. Ryan told him not to pay and the officer forthwith got out a search warrant for De Rutte. Ryan bided his time and thinking it peculiar that in the burglarizing of the tailor shop. DeRutte's suit was the only thing taken, he was convinced that the suit would come to light. De Rutte continued to try and get the sixty dollars and repeatedly asked Ryan if he had any clew to the robbery. A few days ago Ryan heard that the young man had quit his job at an El Varano resort and was to leave the valley. The officer immediately pocketed his search warrant and searched De Rutte's room and grip all packed ready for his departure. In the grip was the missing suit.

He is alleged to have picked the lock of the cleaning establishment and taken his own suit in order to get sixty dollars out of the proprietor. Instead he is now occupying quarters at the hotel de Boyes at Santa Rosa.
